Snowflakes from Vermont

These Snowflakes will not melt!

The snowflakes are created from 3/16" Vermont Maple Hardwood.

The snowflakes can be customized to your specifications:

- engraved with any year
- Vermont or your state
- name or names
- special greetings
- event name, date, logo
- inspirational words
- a special phrase, quote or saying as a spiral
- or left as a beautifully intricate snowflake design

VT is inscribed on each snowflake at your request, and the attached tag identifies that the product is made in Vermont. The tag can also be customized to your needs.

The snowflakes are hung from jute twine or ribbon. The wooden snowflakes can also be made into magnets.
